

For young Christians in the Hillingdon & Uxbridge Area

www.breatheyouth.org.uk

Thank you for your prayers and continued support over the last 3 months while BREATHE took a “step back” to evaluate the last 2 years and determine where God is leading us next.

There have been changes to the organizational side to BREATHE, however as youth workers and leaders we remain as ever passionate about the need for unity among the young Christians of the area.

One way that BREATHE has been able to see growth through this recent time is through the strengthening of a group of full and part time youth leaders from the area. Having met together already, and currently seeking out other local youth leaders to join them, this group is looking to meet together to create a “network” which will enable us to meet the vision of BREATHE more effectively.

If your church has a youth worker or leader who would be interested in joining this “network” for support, ideas, and resource sharing, please have them contact us or pass us their details so that we can contact them.

At this time, the decision has been made not to host any “events” for the next 6 months, so it may seem to you that BREATHE has gone very quiet.

However, please rest assured that work is still taking place, working towards the goals of BREATHE.

During this period, our PO Box address will not be used, so please use the temporary contact address shown below. The website facilities will continue to be monitored, and we can always be reached via email at info@breatheyouth.org.uk or treasurer@breatheyouth.org.uk.

Again, thank you for your support over the last 2 years, where we have seen some awesome work of the Lord take place. We look forward to what He has in store for His young people.
